Hi Brian,

Thanks for your note. This would be a staff level call, so Kyla and I would be connecting with you on Dr. Murthy's behalf.

Thanks so much,
Eric

Eric—just confirming that the Surgeon General would plan to join as well?

Hi Nick and Brian,

I hope this finds you well. I'm Dr. Murthy's Director of Engagement and I wanted to reach out.

As you know, one of the issues Dr. Murthy has been thinking about is how to help stop the spread of health misinformation as we continue to tackle COVID19 and beyond. I know you and your teams are working hard and

thinking deeply about this issue. We'd love to chat over zoom to connect and discuss what's on the horizon for our teams.

Is there a good time this week to connect? Happy to work with whomever on your team to coordinate calendars.

Thanks so much!
Eric
